

# *Holistic Wellness*

## *for Our Fur-Babies and 4-Legged Family!*

- ♥ *“Our 7-year-old Lab mix was lifeless and our Vet said there was nothing we could do but keep her comfortable... We came to you as a last hope and after a few sessions, she is back to her active self!” ~Trianna*
- ♥ *“My German Sheppard had ‘Pancreatic Insufficiency’ and after a couple sessions, she is gaining weight and doing Great!” ~Sandy*
- ♥ *“Our older Cat was having Kidney trouble and with your help, she lived a much longer, happier and healthier life than our Vet thought possible. Thank you so much for all your help!” ~Vanessa*
- ♥ *“Our 16-year-old Pekinese mix developed tumors on her head and neck and with your help they were gone in just a few days. Your sessions have also helped with her hips and her pain. Thank You!” ~Sue*
- ♥ *“Our young dachshund was having inflammation, lower back pain and couldn’t walk very well; after her session she is walking again.” ~Dennis*
